

Gamehaven Council Scholarship Application

Every year the Gamehaven Council sets aside a significant amount of funds to help Scouts and Leaders attend camp programs, purchase books and uniforms. Money should not be a hurdle for a youth to participate in these important programs. Attached is an application which interested individual should fill out and return. Applications need to be submitted one month prior to the event registration deadline.

What are the scholarships?

They are awarded every year to Scouts and Leaders who could not participate in a Gamehaven Council program without financial assistance. Programs eligible for this are Boy Scout summer camp, National Youth Leadership Training, high adventure treks, Cub Scout day camp, Cub Scout and Webelos Overnight summer camp, purchase of uniforms and books. Scholarships are provided through donations by concerned community groups, individuals and memorial funds.

A Scout is Thrifty (pays their own way)

It is the intention of the scholarship committee to see that there is an attempt on the scouts behalf that the Scout earns his own way. The Pack, Troop, or Crew can aid in this process through popcorn sales and other fundraising activities.

The Application

Please print or type the form. Full scholarships are seldom awarded (generally 1/2 of the camp fee or less). It is the hope of the scholarship committee that the Scout, his family and his Scout unit will work together to earn as much of the fee as possible. It is part of the Scouting ideal that boys earn their own way, a Scout is Thrifty. Please submit the completed application to:
