

Archery Equipment
A Project of \$1,250

Few things speak to the excitement and exotic nature of Scout Camp quite like archery does. Many of our Scouts have already held a BB gun, climbed a rock wall, and slept in a tent. But for those Scouts, camp will be the first time they've held a bow in their hands, nocked an arrow, and really gotten to practice learning a new skill for the first time.

Gamehaven Scout Camp has been lucky to maintain a strong inventory of bows designed for elementary school campers, thanks to previous generous donations. But to expand our archery programs and offer these opportunities to more Scouts, we need to grow our collection to include bows for our older Scouts and adults.

A gift from you will ensure that we are able to do this. That gift will allow us to buy five adult-sized right-handed Genesys bows and one adult-sized left-handed Genesys bow.

Supporting this gift means allowing Scouts of all ages to enjoy the sport of Archery. It also means that you will be recognized by a custom plaque with your or your organization's name on it, posted at our Archery range for a minimum of 5 years with opportunities for renewal.
