

**Commercial Vacuum Cleaner
A Project of \$200**

The most frequently-used areas at our camp are the two lodges – Pheasant Lodge to the east, and Deer Lodge to the west. Both lodges have carpeted floors on the upstairs levels, and the frequent use means our vacuum cleaners are frequently pushed beyond their normal capacity. We currently have a fleet of small, household vacuum cleaners that we want to upgrade to larger commercial cleaners that will last longer and clean more thoroughly.

We also use vacuums in our commissary (kitchen) building for the floor mats, and in our administration building’s conference room, which is carpeted.

Supporting this gift means purchasing an upgrade to one of our four vacuum cleaners for the following buildings:

- Administration Building
- Commissary (Floor mats)
- Deer Lodge
- Pheasant Lodge

Supporting this gift also means your name (or organization’s name) will be featured on our camp website (<https://gamehavenbsa.org/camp>) for one year.

Gift:	\$200
Commercial Vacuum Cleaner	\$175
Shipping	\$ 25

If you or your organization are interested in sponsoring two or more vacuums, we will additionally add your organization logo to our website.
