

POLAR CUB ADVENTURES!

<https://scoutingevent.com/299-polarcubs26>

Due to extreme cold, our original plan to have Polar Cubs on January 24 will not be happening. It is now scheduled for Saturday, Feb. 28th. Those that had signed up for the 24th, we have moved your registration to the 28th. If you have not signed up yet, you now have more time to come and enjoy winter-themed games, creative crafts, and frosty challenges like curling and geocaching. And don't miss the highlight of the day: **the cardboard sled races**, where you and your Pack build and race your own sleds down the snowy hill. It's teamwork, creativity, and chilly thrills all rolled into one unforgettable experience. Best of all, it's **FREE** for all registered Cub Scouts!

WHO: Families with children in grades K-5
