

SPRING FAMILY ADVENTURE

at Gamehaven Scout Camp

Have you been stuck in your castle all winter? Can't go outside without bundling up in your mittens, coat, and scales? Sick of peasants asking you to breathe fire on their cars to clear off the snow?

We have the solution for you - fly out of your castle and kidnap a princess! What could go wrong?

Planned and led by our very own Emerging Camp Leaders! This team of young people ages 14-21 have been working all year to design and implement an amazing camp program for our Cub Scout families.

WHO: Families with youth in grades K-5

WHEN: May 9th, 2026. 8am - 4pm
