

Are you prepared for the Zombie Apocalypse???

Spring Camporee | April 25 - 27 | Gamehaven Scout Camp

Year: 2026

Location: Gamehaven Scout Camp

Mission Objective: SURVIVE

Two years have passed since the Sickness changed the world. Unconfirmed reports suggest the disease has mutated with victims now exhibiting zombie-like symptoms. We are one of the last outposts standing, and this weekend, your skills will be tested.

You will need Scout skills, teamwork, and critical thinking to endure. Your Patrol must work as a team to navigate camp, learn and demonstrate survival skills needed to survive the Apocalypse and ultimately shelter in your Zombie proof barricade - Ready to inoculate the Zombies and save the city.

Good luck, Scouts. You will need it.
