

**Metal Benches for Lodges and Cabins**  
**A Project of \$1,000**

Outside group rentals are a growing facet of the camp operations, and we want to improve the services those groups receive when they use our buildings. Our cabins and lodges currently have outdated and broken plastic patio furniture. Supporting this project means upgrading that furniture to metal benches that will last for a long while, and present a better image to those using our amenities.

Benches would be placed at:

- Family Cabins (all 6)
- Deer Lodge porch
- Pheasant Lodge porch
- Admin Building porch

Supporting this gift also means that you will be responsible for dramatically improving the usability and appearance of our most-used areas at camp. In recognition, your name (or organization's logo) will be prominently featured on our camp website (<https://gamehavenbsa.org/camp>) for one year. You or your organization can also choose to be featured on the benches themselves via custom plaques affixed to each one, which will be seen by hundreds of campers and community members every year.

Gift:	\$1,000
9x Metal Benches	\$ 810
Shipping	\$ 100
Custom Plaques	\$ 90
